VIAREGGIO - in front of the beach. apartment of wide length (more than 200 Mq), that has already been restored in his structural part, attic, roof and inner partition walls, with private lift; it is at the rough state, ready to be personilized in his finishings.

The attic floor, partially on the living room, has a wide window on the beach, created by the layer of the roof.

Very particular building, having a big view on the sea and on the mountains.
